

Scarves, Wraps & Pocket Squares

Limited-edition designs just in time for the holidays. Our naturally beautiful scarves, wraps and pocket squares are made of luxurious Sandra Jordan Prima Alpaca. With a 3,000-year lineage, alpaca has long been the treasure of the Peruvian Andes, woven into magnificent textiles and lavished upon Incan nobility. The incredibly light yet exceedingly warm alpaca fleece is cozy and warm in winter and breathable and cool in summer. Our Prima Alpaca scarves and wraps are luxurious to the touch and come in an array of classic looks for men and women.
